

MAYSVILLE'S COLORED SCHOOL.

Annual Commencement Last Night. A Highly Creditable Showing. The Programme.

It is doubtful whether there is another city in Kentucky whose colored schools can make a more creditable showing than that made by the Maysville colored school last evening.

The commencement exercises attracted a large crowd to the opera house. Many of our best white citizens were present, seats having been reserved for them. Members of the Board of Education and Judge Wadsworth occupied seats on the stage during the exercises.

Following was the programme:
Chorus—"Battle Hymn of the Republic".....School Prayer and Chant.....School Chorus—"Foresters".....Palmer Salutory—"Womanhood vs. Ladyship."
Mary K. Henderson, (Graduating Class).
Instrumental Duo—"La Dames De Seville."
Led by Anna D. Banks, (Grade F).
Doll Song and Drill.....Girls Primary Grades
Birds' Ball.....Boys Primary Grades
Hand Exercises.....Boys Primary Grades
Recitation—"Black Regiment,"
Frances Strawder, (Grade G).
Medley—"Kaleidoscope".....Produndo Basso
Oration—"Fifal Obedience,"
Hattie Lee, (Graduating Class).
Solo and Chorus—"Have Courage, My Boy, to Say No,"
Mary K. Henderson.

Flower Song.....Intermediate Grades
Valedictory—"Rights and Duties of American Citizenship,"
Mary L. Bell, (Graduating Class).
Chorus—"Lighthearted Are We".....Root Address.....Hon. A. A. Wadsworth
Chorus—"My Country, 'Tis of Thee".....School Presentation of Diplomas by President of Board of Education, Hon. W. H. Wadsworth.
Chorus—"Good Night".....Spohr

The diplomas were delivered by President W. H. Wadsworth, of the Board of Education. His Honor, Judge A. A. Wadsworth, in his address was more eloquent than usual.

Members of the Board of Education are loud in their praise of Principal Spurgeon and his assistants, but especially of Mr. Spurgeon. He has demonstrated to the satisfaction of all that he is thoroughly fitted for the position he holds. He is unquestionably doing a splendid work for his people.

While the pupils all did well, Miss Bell in her valedictory address on the "Rights and Duties of American Citizenship," was especially complimented. It was full of good advice to her people and was well delivered.

An Excellent Showing.

The report of the final examination in the Girl's High School shows excellent work, sixteen out of twenty-five girls having made a general average of 90 per cent, or over. The Principal, Miss Gordon, feels especially gratified at the result of the work done by the Higher Algebra class. To this class were submitted the questions given by the Superintendent of Public Instruction to the applicants for State certificates. Out of a class of ten girls all made over 70 per cent, and Miss Alice B. Chisholm, of the Fifth ward, made 100 per cent. Girls can learn mathematics.

The Modern Mother.

Has found that her little ones are improved more by the pleasant laxative, Syrup of Figs, when in need of the laxative effect of a gentle remedy, than by any other, and that it is more acceptable to them. Children enjoy it and it benefits them. The true remedy, Syrup of Figs, is manufactured by the California Fig Syrup Co. only.

THE latest superstition is that if a girl takes the small bow which fastens the lining of a man's hat, and wears it inside her shoe, she will have a proposal from the youth within a month. The success of the scheme may be open to question, but it is proving very destructive to hats.

OHIO Republicans are hitting McKinley's Presidential boom some hard knocks nowadays. The State Journal has hauled down the McKinley flag, and the legend "For President in 1896, William McKinley," no longer adorns its columns. FRIDAY'S GAME.

The Augustas May Have Played Ball Down at Home, but They Forgot How Yesterday.

The Augusta boys may have played ball down at their home, but it's a question now, after the exhibition yesterday afternoon, whether they know much about the national sport down in Bracken.

The visitors Friday came heralded as victors in every game they had played this season, and the crowd that went out to the fair grounds expected a lively contest, but they were disappointed.

The game opened with the Augustas at the bat. They soon had three men on bases, but the rest of the team couldn't hit Wadsworth, and the visitors struck out, getting in only one run.

If they were weak at the bat, they soon demonstrated they were worse in the field. Such fielding! In a few minutes the home team piled up twelve runs. In the seventh inning the visitors quit, the score then standing 26 to 6.

The only enjoyment the crowd had was in geying the Augustas.

O. A. NELSON, Pastor.

A SPECIAL says that a disease very fatal to children has been raging in different parts of Adams County, Ohio, for the past week. Six deaths have occurred at Manchester and eight children died in Jefferson Township in one day. Death follows soon after the appearance of the disease. A six-year-old child of George Hiseley was stricken while playing in the yard. It ran into the house and in less than two hours it was a corpse. The disease usually follows whooping cough. The physicians are puzzled and in all cases they have failed to find a remedy that will stop its dread ravages.
